

Irish Life

GROWTH PORTFOLIO

Information is correct at 30 September 2017

FUND FACTS

	OBJECTIVE	To achieve high long term investment returns from a targeted investment strategy
	INVESTMENT STYLE	Indexed & Active
	SIZE	7.6 million

FUND DESCRIPTION

This fund will normally be largely invested in equities, which will include a variety of global markets and sectors. In addition the fund will typically have a smaller allocation to other funds managed by alternative asset managers with the aim of reducing risk. The Growth Portfolio may be suitable for investors looking for high long term investment returns, who are comfortable taking investment risk and potentially significant movement in asset values, especially in the short term.

Warning: If you invest in this product you may lose some or all of the money you invest.

The assets in this fund may be used for the purposes of securities lending in order to earn an additional return for the fund. While securities lending increases the level of risk within the fund it also provides an opportunity to increase the investment return. External asset managers may change over time.

This fund is provided by Irish Life Assurance plc and is managed by Irish Life Investment Managers Limited. It is developed together with Aon to meet the needs of a specific client risk profile.

Warning: This fund may be affected by changes in currency exchange rates.
