BOND COUNTRY DISTRIBUTION

BOND PORTFOLIO CREDIT QUALITY

The assets in this fund may be used for the purposes of securities lending in order to earn an additional return for the fund. While securities lending increases the level of risk within the fund it also provides an opportunity to increase the investment return. Part of this fund may borrow to invest in property. External asset managers may change over time. Underlying funds or investments may be subject to incentive fees. Non euro currency exposures may be fully or partly hedged back to euro to reduce foreign currency risk.

This fund is provided by Irish Life Assurance plc and is managed by Irish Life Investment Managers Limited. It is selected by your financial advisor to meet the needs of a specific client risk profile.

Warning: This fund may be affected by changes in currency exchange rates.
