FUND DESCRIPTION

This fund invests mainly in higher risk assets such as equities, including developed and emerging markets and other sectors. To provide diversification, there may also be smaller allocations to fixed interest securities, property and alternative investments. The fund also includes several risk management strategies.

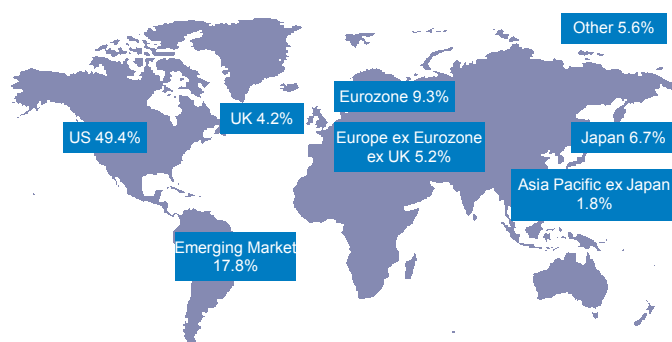

Investors in this fund aim to achieve higher investment returns and are comfortable accepting the risk of capital loss and significant price volatility in the short term to achieve this goal.

Warning: If you invest in this product you may lose some or all of the money you invest.

ALTERNATIVES LISTED BY MANAGER

The assets in this fund may be used for the purposes of securities lending in order to earn an additional return for the fund. While securities lending increases the level of risk within the fund it also provides an opportunity to increase the investment return. External asset managers may change over time. Underlying funds or investments may be subject to incentive fees. Part of this fund may borrow to invest in property. Non euro currency exposures may be fully or partly hedged back to euro to reduce foreign currency risk. High Yield Bonds are sub-advised by an external manager.

This fund is provided by Irish Life Assurance plc and is managed by Irish Life Investment Managers Limited. It is developed together with HC to meet the needs of a specific client risk profile.

Warning: This fund may be affected by changes in currency exchange rates.
