This is my application to reinstate my plan. I have read over the replies to all of the questions in this form and declare that all statements (including any statements written down for me) are true and complete and if this information is not true and complete this contract could be deemed void and no claim paid.

Please remember that you must tell us everything relevant in answer to these questions on this Declaration of Health form. If you do not or if any of the answers to these questions are not true and complete, Irish Life could treat the policy as void. If this happens there will be no cover under the policy and we will not refund the premiums. In these circumstances we will not pay a claim.

A material fact i.e. relevant information includes anything which a reputable insurer would regard as likely to influence the assessment and acceptance of an application for insurance. If you are not sure whether something is relevant, you should tell us anyway.

On receipt of the Declaration of Health Form and payment of arrears, we will then advise you if we are in a position to reinstate your plan.

For policies taken out prior to 21/12/2012 Reinstatements are only allowed on plans unpaid less than 6 months and where there is no change to the original acceptance terms. If there is any change to the original acceptance terms, or if the plan has been unpaid for greater than 6 months, then the original plan cannot be reinstated and a new application will have to be taken out on gender neutral rates.
