## FUND DESCRIPTION

This is a passively managed bond fund that aims to track the performance of the JP Morgan GBI-EM Global Composite index. The JP Morgan GBI-EM index is composed of only those countries that meet criteria for an Emerging Market, resulting in 18 countries from four regions. The index includes only those countries that are directly accessible by most of the international investor base. This fund is suitable for investors looking for higher returns from a portfolio of bonds and prepared to accept the higher risks associated with investing in emerging markets.

**Warning: If you invest in this product you may lose some or all of the money you invest.**

## SHARE REGIONAL DISTRIBUTION

No Data

The assets in this fund may be used for the purposes of securities lending in order to earn an additional return for the fund. While securities lending increases the level of risk within the fund it also provides an opportunity to increase the investment return.
