FUND DESCRIPTION

The Diversified Cautious Fund reduces risk by investing in assets including shares, property, bonds, cash, commodities and hedge funds (funds with a wider range of investment activity than other investment funds). The Fund aims to achieve moderate returns with the possibility of limited ups and downs. This is due to being less exposed to higher risk assets such as shares and hedge funds. This fund allows you to invest in index linked and actively managed assets. Parts of this fund may also borrow money to invest in property.

Warning: If you invest in this product you may lose some or all of the money you invest.
