

PROTECTED CONSENSUS MARKETS FUND

Information is correct at 30th September 2017

Fund Description

The Protected Consensus Markets Fund gives you the opportunity for higher potential returns that come with investing in global markets while aiming to protect a large part of your investment. The aim of the fund is to provide growth when markets are performing well and deliver some protection when markets are falling.

The Protected Consensus Markets Fund invests in two funds, the Consensus Markets Fund and the Protected Fund. The amount invested in each depends on market conditions at the time and is based on a formula.

Warning: If you invest in this product you may lose some or all of the money you invest.

Volatility / Risk		Medium

Fund Breakdown

Asset Allocation

The assets in the Consensus Markets Fund will change over time as it matches the mix of assets of the main investment managers in Ireland. If the main investment managers change their mix of assets very significantly in the future, we may change how we decide the mix of assets in the Consensus Markets Fund so that it is closer to the current asset mix.

Warning: This fund may be affected by changes in currency exchange rates.

30th September 2017	€1.450	€1.266

Warning: Past performance is not a reliable guide to future performance.

Warning: The value of your investment may go down as well as up.

Security Features

The Protected Consensus Markets Fund has some security features which helps reduce the levels of ups and downs on your investment.

The fund aims to give you increased access to the Consensus Markets Fund when markets are rising but switches into the Protected Fund when markets are falling.

There is a protected price pledge to provide some protection. The aim of this pledge is that the unit price of the Protected Consensus Markets Fund will not fall below 80% of its highest value. This protected price pledge is designed to apply for an extended period up to 11 September 2020. This protection is provided by Deutsche Bank AG. Deutsche Bank AG are rated A3 by Moody's (this is the 7th highest rating on a scale of 21), A- by Standard & Poors (this is the 7th highest rating on a scale of 22) and A- by Fitch (this is the 7th highest rating on a scale of 22). These credit ratings are an indicator of an institution's ability to meet its financial obligations in a timely manner. These credit ratings are correct as at 31st March 2017.

Certain circumstances may cause this protection to be reduced or removed. Our commitment to you is to pass on the full amount we receive from Deutsche Bank for your investment. This means we will only pay you the amount we actually receive from Deutsche Bank. We will not use any of our assets to make up any shortfall. Deutsche Bank only has a commitment to us under their contract with us.

You do not have a contract with Deutsche Bank. As such you cannot make a claim directly against Deutsche Bank under the protected price pledge. It is important to read our 'Guide to the Protected Consensus Markets Fund' before investing in this fund. It also outlines our contract with Deutsche Bank AG.

Warning: If you invest in this product you may lose some or all of the money you invest.
