## ASSET ALLOCATION

## FUND DESCRIPTION

The Setanta Income Opportunities Fund is a multi-asset fund that aims to deliver returns from income and capital, with the aim of doing better than inflation. The main asset class in the fund is expected to be stocks which display good value and generate a high dividend yield. The fund can invest in income-bearing asset classes such as bonds, property, cash and financial instruments, in particular covered options. Covered options are a derivative strategy employed by Setanta to raise extra income for the fund. This fund is managed by Setanta Asset Management Limited. Within the asset mix below, the amount in cash may be higher than stated, as cash may be held within the underlying funds. Please see [www.setanta-asset.com](http://www.setanta-asset.com) for more information.
