Investment strategies

- We offer two Lifestyle Options (Annuity and ARF Lifestyle) for your customers to choose from if they want to select their own investment funds initially and then invest in our pre-determined funds as they get nearer retirement.
- We also have two Default Investment Strategies depending on whether your customer plans to fund for an Annuity or an ARF at retirement.

Further information on these strategies is available on our b-line website.

CUSTOMER TARGET MARKET

PRSAs are suitable for customers who are looking for a long term investment plan to provide for their retirement. It is important to ensure customers who invest in this product fulfil the following criteria:

- They have at least €300 to invest every year.
- They are looking for a plan that is flexible and convenient. If a customer's employment status changes or if he/she moves to a new employer it is possible to bring a PRSA with them.
- They understand pensions are long term investment plans.
- They do not need access to their fund before age 60 (or until they retire).
- They understand that the value of their pension fund can fall as well as rise.

RISKS

- Customers may get back less than they paid into their pension fund and their retirement fund will be less than they expected.
- Pension and tax legislation could change in the future. For example the tax limits on pension benefits could change in the future.
- The level of risks customers are exposed to will depend on the type of funds they are invested in. Please see the Fund Guide for fund descriptions and information on risk.

Warning: If you invest in this product you may lose some or all of the money you invest.

Warning: If you invest in this product you will not have any access to your money until age 60 and/or you retire.

Warning: The value of your investment may go down as well as up.
