**Irish Life's investment manager once again has been recognised as the Investment Manager of the Year - for the third year running - at the recent Irish Pension Awards.**

This prestigious award reflects Irish Life's continued focus and expertise in delivering solutions that are tailored to meet the needs of thousands of companies and private investors right across Ireland. We're also delighted that our affiliate company, Setanta Asset Management, was recognised by winning the Equities Manager award, for the fourth year in a row.
