TAP - EXPERIENCED PORTFOLIO

Information is correct at 31 August 2017

FUND FACTS

OBJECTIVE To achieve returns managed within a range of volatility suitable for experienced investors

INVESTMENT STYLE Active & Passive Multi Strategy

SIZE 364.9 million

FUND DESCRIPTION

This fund invests mainly in equities, including developed and emerging markets and also low volatility equities. The remaining assets are in property and alternative investments to provide some level of diversification. The fund also includes several risk management strategies. Investors in this fund aim for high investment returns and understand that to achieve this goal, high risk in investment choice may be necessary and capital values can fall, especially over short time periods.

Warning: If you invest in this product you may lose some or all of the money you invest.

The assets in this fund may be used for the purposes of securities lending in order to earn an additional return for the fund. While securities lending increases the level of risk within the fund it also provides an opportunity to increase the investment return. External asset managers may change over time. Underlying funds or investments may be subject to incentive fees. Part of this fund may borrow to invest in property. Non euro currency exposures may be fully or partly hedged back to euro to reduce foreign currency risk.

This fund is provided by Irish Life Assurance plc and is managed by Irish Life Investment Managers Limited. It is selected by your financial advisor to meet the needs of a specific client risk profile.

Warning: This fund may be affected by changes in currency exchange rates.
