

Multi-Manager Target Return Fund Series P

Information is correct at 31st March 2016

Fund Description

The Multi-Manager Target Return Fund invests in a number of external funds managed by expert investment managers and chosen by ILIM. The underlying funds invest in a wide range of assets and use a variety of investment strategies. The Multi Manager Target Return Fund aims to achieve a return of 4% per annum over cash, measured over a rolling four-year period.

This fund is subject to incentive fees.

This fund is provided by Irish Life Assurance plc and managed by Irish Life Investment Managers.

Warning: If you invest in this product you may lose some or all of the money you invest.

The assets in this fund may be used for the purposes of securities lending in order to earn an additional return for the fund. While securities lending increases the level of risk within the fund it also provides an opportunity to increase the investment return.
