For example, if your initial contribution is €4,000 every year, the entry charge is 3%. If you top-up by €2,000, your total contribution is €6,000. The new charge is 2.25% on your total contribution of €6,000.

** An incentive fee may be payable when investing in the Multi Asset Portfolio Funds. This fee will depend on the external managers used within the funds and the performance of the underlying investments. The maximum effect of these fees would be to add the extra amount shown in brackets to the total effective charge shown. Please refer to www.irishlife.ie for more information on incentive fees.

Please note the following:

Reducing your regular contribution

Should you reduce your regular contribution at some time in the future and the reduction brings your total contribution into a new band for initial contributions, the total regular contribution will receive the allocation for that band.

For example, if your initial contribution is €6,000 every year, the entry charge is 2.25%. If you reduce your contribution by €2,000, your total contribution is €4,000. The new charge is 3% on your total contribution of €4,000.

There is no maximum contribution limit into this plan. However, the highest regular contribution we can accept is:

- €5,000 if paid monthly;
- €7,500 if paid quarterly;
- €15,000 if paid half yearly;
- €30,000 if paid yearly.

You can pay any contribution over these amounts as a one-off contribution. The charges for one-off contributions are shown in table 1(b) overleaf.
