## FUND DESCRIPTION

This is a passively managed equity fund that aims to track the FTSE® RAFI Developed 1000 index. This is an index of stocks based on the largest 1,000 fundamentally ranked companies. The fundamental weighting factors include dividends, book value, sales and cash flow. The FTSE® RAFI Index tries to reduce exposure to overvalued stocks and hence reduce volatility. This fund is suitable for investors willing to invest in equities in order to improve potential return but are looking for lower volatility than traditional equity index funds.
