FUND DESCRIPTION

This fund is predominantly invested in equities covering both developed and emerging markets, as well as other different equity sectors. To provide some element of diversification, the fund will invest in other assets such as property and alternatives. This fund is suitable for investors seeking very high long term returns, and who are comfortable with a high level of investment risk and sizeable movements in capital values over shorter time periods. In addition, the Dynamic Share to Cash (DSC) model will operate on a portion of the fund.

Warning: If you invest in this product you may lose some or all of the money you invest.

PROPERTY SECTOR DISTRIBUTION

The assets in this fund may be used for the purposes of securities lending in order to earn an additional return for the fund. While securities lending increases the level of risk within the fund it also provides an opportunity to increase the investment return. External asset managers may change over time. Underlying funds or investments may be subject to incentive fees. This fund may borrow to invest which increases both the risk and opportunity for return.

This fund is provided by Irish Life Assurance plc and is managed by Irish Life Investment Managers Limited. It is developed together with Wealth Alliance to meet the needs of a specific client risk profile.

Warning: This fund may be affected by changes in currency exchange rates.
