# Please note the following:

#### Reducing your regular contribution

Should you reduce your regular contribution at some time in the future and the reduction brings your total contribution into a new band for initial contributions, the total regular contribution will receive the allocation for that band.

For example, if your initial contribution is €6,000 every year, the entry charge is 2.25%. If you reduce your contribution by €2,000, your tota contribution is €4,000. The new charge is 3% on your total contribution of €4,000.

There is no maximum contribution limit into this plan. However, the highest regular contribution we can accept is:

- €5,000 if paid monthly;
- €7,500 if paid quarterly;
- €15,000 if paid half yearly;
- €30,000 if paid yearly.

You can pay any contribution over these amounts as a one-off contribution. The charges for one-off contributions are shown in table 1(b) overleaf.
